

## *Edward Mallory Oil Painting – Introduction to Oil Painting Workshop*

Hello, I'm Edward Mallory. I'd like to invite you to join me at my "**Introduction to Oil Painting Workshop.**" This one-day workshop is for people who want to learn to paint in oils.

Tuition includes all the tools and materials required for the class. *So, if you have often thought that you'd love to learn to oil paint, this workshop is a great place to start!*

The workshop begins with an introduction covering the materials, tools and concepts of oil painting followed by exercises designed to give each student the basic knowledge in the elements of mixing color. In the afternoon, I'll demonstrate the step-by-step process as each student paints a still life or landscape painting as I assist at their easel. And, you'll all go home with a great painting!

All you need to bring is your creativity and a bag lunch. If you're interested in learning paint and would like to find the right instruction - *what are you waiting for?* Each class is limited to 6 students. Signups are happening now!

I'll be teaching the *Introduction to Oil Painting Workshop* in two locations:

### ***My Loaded Brush Studio and Gallery***

(located inside The BAG Boutique), 627 Sutter Street in Folsom, California

***Gallery IQ***, 3700 Midas Avenue, Suite B3 in Rocklin, California
